

CERRUTI 1881

*«CERRUTI 1881 carries the most modern values that inspire the new generations of consumers.
It encourages 'personal luxury', and allows to Be Well and to Be Oneself.»*

A handwritten signature in black ink that reads "Nino Cerruti". The signature is fluid and cursive, with the first name "Nino" and the last name "Cerruti" written in a single, continuous stroke.

Nino Cerruti

CERRUTI 1881, the fashion house founded by Nino Cerruti in Paris in 1967, captures the spirit of the times and created a new style for the modern man, the daring nonchalance of Parisian je-ne-sais-quoi so coveted throughout the world.

With his intelligence of the fabrics – combining technique and innovation together with ancestral know-how, associated to boundless creativity, Nino Cerruti breaks free from the dress codes, revolutionizes the world of couture and becomes the Master of soft tailoring and Inventor of «gentle masculinity».

Today, this philosophy extends to all territories that sublimate the personality of the wearer, its Natural Born Elegance, from shoes, scarves and ties, through loungewear, bags, fragrances, and jewelry and watches, for men and for women.

A collection dedicated to writing instruments completes the “CERRUTI 1881” universe.

Ever since its creation 55 years ago, the French fashion brand with Italian roots is synonym of quality, innovation, freedom, elegance and modernity.

CERRUTI 1881 writing instruments collections offer unique creations combining refined elegance and contemporary energy, aimed at men who appreciate urban chic style.

MESH

The Mesh line is an exhaustive collection of bags, writing instruments and technological items. In accordance with the DNA of the brand, this line combines cutting edge material innovation with classical shapes. The mesh material, borrowed from activewear, is mixed with elegant matt black textures and applied to everyday essentials for a line at the intersection between style and functionality.
