Dear Client!

Welcome to the product catalog of Headwear Professionals - a leader in the production of high-quality advertising caps. We are glad that you have the opportunity to familiarize yourself with our offer, which is addressed to advertising agencies looking for unique promotional products.

In this catalog you will find products that are 100% produced in Poland. Thanks to many years of experience, we can guarantee the highest quality, precision of workmanship and attention to every detail. Our products are not only functional accessories, but also a distinctive advertising medium that will certainly attract the attention of recipients.

In our catalog you will find a wide selection of models, available in different colors and sizes to perfectly match the preferences of your customers. We also offer the possibility of personalizing our products, enabling you to create a unique project that will emphasize the individual character of each brand.

Along with our advertising caps, we also provide a full range of decoration techniques that will allow you to create unforgettable patterns and logos on our products. Thanks to our advanced technologies and experience in the field of printing, we can implement almost any project, regardless of its complexity.

We are convinced that our products will be an excellent carrier of your clients' advertising campaigns. We encourage you to familiarize yourself with our catalog and take advantage of the wide range of Headwear Professionals. Our team is ready to help you and answer any questions you may have. Together we will create unforgettable advertising caps that will distinguish your clients' brands from the competition.

Thank you for your interest in our products and we wish you fruitful cooperation!

Team Headwear Professionals

FLATEMBROIDERY

- Max size 130x55 mm
- Minimum height for good quality of text: 5 mm
- Embroidery up to 12 colors

2d flat embroidery looks effective and elegant it is one of the most popular techniques of decoration for caps.

3 D EMBROIDERY

- Max size 130x55 mm
- Minimum height for good quality of text: 10 mm
- Embroidery up to 12 colors

3d embroidery involves the use of embroidery foam and special stitches that when combined give the design a 3d effect.

WOVEN ATCHES

- Number of colors: 8 pcs
- Minimum height for good quality of text: 2 mm

This marking technique works very well with logos and graphics with small marks and details.

PRINTS

- No limit to the number of colors in the logo
- Minimum height for good text quality: 2 mm
- Print on caps: max 100x60 mm
- Print on hats: 180x120 mm

In addition to embroidery, there is also the possibility of making various types of prints on the caps. Our p6 printing technology allows you to print on the seams. So you don't have to choose a 5panel cap anymore. This technique allows us to print many colors on all caps and fabrics, including 6panel caps, corduroy and thick fabrics.

FULL COLOR PRINT

- No limit to the number of colors in the logo.
- Minimum height for good text quality: 1.5 -2 mm

PRINTED FULL COLOR LABEL WITH EMBROIDERY OUTLINE
